*Several members have provided valuable material on the history of the club. This material includes, books, journals, educational presentations, and past records from years gone by. Much of this history dates back to the 1950's, but much more is needed. I have organized and cataloged this information for future use by club members. If you should wish to submit information please date and sign it for credit.*

*It is my hope that all the club history, dating back to our beginnings in 1906, will be provided and published for the information of present and future club members.*

*Please, if you have any kind of information no matter how insignificant, no matter how small, or historical, that references the club in days gone by, please share it with our Historian/ Librarian Ed Hilbert..... now while you are thinking about it!!*
